Emergency Response Calls:

Respond to a minimum of 60% of the annual emergency response calls when requested.

Attendance records will be reviewed following each calendar year, with those members having attendance below the noted minimum levels being addressed on an individual basis by the Fire Chief/CEMC.

Personnel having annual attendance in either category which is below 60% will receive a letter from the Fire Chief/CEMC outlining options and requesting a meeting with the individual.

It is fully understandable that there may be instances where extenuating circumstances contribute to reduced levels of attendance and such instances can also be discussed on an individual basis to determine alternate arrangements.
